Program

1. September 12 - arrival, accommodation (from 2 p.m.) and joyful start of the stay with dinner and music. A local accordionist will introduce you to Polish atmosphere.

2. September 13 - guided trip of the Jurassic valleys - visiting the Prądnik Valley, castles in Ojców and Pieskowa Skała, hiking along paths among fantastic rock formations, and finally visiting the Wierzchowska Górna cave. Inside the cave, refreshments served by prehistoric man. In the evening, continued integration in the Kluczwoda valley

3. September 14 - guided tour to Krakow. We discover the charms of the old town by wandering its streets. We visit Wawel Hill with the royal castle, climb the bell tower to see the historic Sigismund bell, which rings only at the most important moments in our history. We'll walk around the largest main square in Europe and enter St. Mary's Church with the famous Veit Stoss altar. Finally, we'll visit the Jagiellonian University, one of the oldest in Europe. In the evening, dinner at the agritourism farm.

4. September 15. We'll visit the salt mine in Wieliczka. For people who are not interested in visiting the mine, but like strong experiences, we can organize a short climbing course using ropes and professional equipment. In the evening, a farewell meeting with dinner.

5. On September 16 - after breakfast or individually after lunch, departure.
