

Wonderful time with no shortage of conversation in Florstadt

Annette and Christoph welcomed us for 3 nights in September 2024. After traveling from our home in British Columbia, Canada to Frankfurt we went by train to Friedberg where Christoph picked us up at the station to take us to their home in Florstadt. We had a wonderful time with no shortage of conversation. Our stay included a relaxing walk through an orchard along the river, a train trip to visit Frankfurt, touring the castle gardens at Friedberg and doing an interesting walking tour of Budinggen where Annette is a teacher.

Annette and Christoph were wonderful Servas hosts who gave us a very warm welcome during our first time in Germany.
